PART TIME FACULTY POSITION

PAUL D. CAMP COMMUNITY COLLEGE seeks enthusiastic, qualified individuals to teach day and/or evening classes. Applications are being accepted for part-time faculty positions at all campus locations.

ADJUNCT-HEATING, VENTILATION, AND AIR CONDITIONING

JOB DESCRIPTION: Seeking adjunct faculty to teach Heating, Ventilation, and Air Conditioning (HVAC) courses. Adjuncts needed to teach the theory of air conditioning, heating, and refrigeration.

Adjunct faculty members are responsible for effectively planning and teaching courses in a classroom environment to students with a variety of academic backgrounds and experiences. All college employees are expected to possess sufficient technology skills to work productively in an organization that utilizes significant information and instructional technology resources.

MINIMUM QUALIFICATIONS: High School diploma with 5 years current related occupational experience. Experience in HVAC. Possess an EPA/CFC license. Ability to apply HVAC theories to practical applications. Be familiar with residential, commercial, and industrial HVAC designs and applications.

APPLICATION PROCESS: You will need to submit an online application for this position by visiting the following web site: https://virginiajobs.peopleadmin.com. We will only accept applications through this site. Complete application packages will include: an online application, cover letter, resume, transcript, names of three professional references with current telephone numbers. Paper copies, fax or e-mail applications will not be accepted. This position is open until filled. There is a 5 day minimum posting requirement. Background checks will be required of the finalist candidate for the position. Satisfactory reference checks are a condition of employment.

Paul D. Camp Community College is an Affirmative Action/Equal Opportunity Employer and encourages applications from veterans, people with disabilities, women, and minority candidates. PDCCC is also an E-Verify employer.
