**TITLE:** Industrial Technology Faculty – Full Time (1 Position)  
**CAMPUS:** Franklin Campus  

**SUMMARY:** The College anticipates filling one full-time, nine-month teaching faculty position, contingent upon availability of funding. Nine-month teaching appointments run from August 16 to May 15 with the possibility of annual renewal.  

While faculty positions are based at a particular campus, they may be assigned to teach at various sites, including other college locations, as well as online or via other technology delivered distance learning methodologies. Should the need be justified, faculty are subject to reassignment to another campus.  

**FUNCTIONAL RESPONSIBILITIES:**  
The major emphasis is on teaching, by working with students in classrooms, laboratories, individual conferences, and related activities to help the students develop their interests and abilities to the fullest capacity to become better persons, better workers, and better citizens. Faculty responsibilities also include office hours, committee work, student activities, community activities, student advising, and professional activities. Responsibilities may include work during the day and/or evening programs of the college, as well as its distance learning programs.  

**REQUIRED QUALIFICATIONS:**  
Associate’s Degree in a related industrial technology field along with a minimum of 5 years of related occupational experience. Areas of experience can include HVAC/R, Welding, Electrical, Industrial Maintenance, or Plumbing, along with required Licensure/Certification.  

**PREFERRED QUALIFICATIONS:**  
Experience or skill in two trade areas or a Bachelor’s Degree in a related industrial technology field. College teaching experience in Industrial Technology. Experience applying innovative technology applications to teaching and learning. Knowledge of, and experience with, proven teaching strategies that promote student success. Demonstrated ability to effectively communicate (oral and written communication).  

Candidates should possess sufficient technology skills to work productively in an organization that utilizes significant information and instructional technology resources.  

**SALARY:** The College offers a competitive salary and an excellent benefits package.  

**HOURS:** Varies.  

**CLOSING:** Review of application materials will commence February 4, 2013, and continue until the position is filled.  

**APPLICATION PROCESS:** For consideration, applicants must submit a cover letter addressing their qualifications for the position, a current résumé, unofficial copies of transcripts of all undergraduate and graduate degrees and any additional relevant coursework, and a completed Commonwealth of Virginia Application for Employment (available online at http://jobs.virginia.gov/). Unofficial transcripts will be accepted with the application; however, no offer of employment will be made prior to official transcripts being provided to the college. Please direct correspondence to:
Jackie Spiker  
Director of Human Resources  
Paul D. Camp Community College  
P.O. Box 737  
Franklin, VA  23851

Applications may be mailed to the POB or submitted electronically to jspiker@pdc.edu. E-mail attachments are accepted only in uncompressed MS Word or Adobe Acrobat (PDF) file formats.

The college offers a competitive salary and an excellent benefits package. Additional information about PDCCC and the position may be obtained by calling (757) 569-6708.

All PDCCC positions require satisfactory completion of background checks prior to employment.
