Through the generosity of various individuals and organizations, a number of scholarships and grants are available at PDCCC to recognize outstanding performance and help students “Get Ahead.” This booklet briefly describes current available scholarships and the application criteria for each one. Candidates may apply for more than one scholarship.

To complete the application process:

- Read the criteria.
- Submit a separate application for each scholarship. You may photocopy the application forms as required. All students must now file a FAFSA and submit a copy of their Student Aid Report (SAR) form with the applications.
- If you are a new student, submit an application for admission to the College with your high school or college transcripts attached.
- Make sure that all requirements are met by the deadline.

For a scholarship application to be considered for the following semester, all transcripts and applications for admission must be received in the Office of Admissions by the due date for receipt of the scholarship application.
