

Update #: 17  
Title: **CLEP Scores**  
Type: CLEP Credit Granting Recommendations, 2015-16  
Effective: Fall 2016

---

The College Board has issued 2015-16 Credit-Granting Recommendations. See [www.collegeboard.org/clep](http://www.collegeboard.org/clep). In comparing these recommendations to our current college catalog and those of sister colleges, a change has been made to the credits given for Financial Accounting: now 3 credits for ACC 211.

Other adjustments will be reviewed in preparation for the 2017-18 catalog.

In recommending credit, Deans and Admissions and Records Staff should consult the Catalog, the CLEP Recommendations, and the descriptions of courses for which credit is sought.
