

Update #: 38
 Title: **Nurse Aide CSC – Course Changes**
 Type: During program review, it was noted that greater alignment was needed between the Nurse Aide CSC and the ADN program. ITE 115 has been removed from the CSC, as this course is not needed in the Nurse Aide curriculum since students are trained at the hiring facilities. To improve soft skills, student self-efficacy, and student success, CST 100 and SDV 100 or equivalent has been added to the curriculum
 Effective: May 2017 (Summer term)

Nurse Aide (221-157-04)
